They have been helpful to the Department of Public Works/ Community to ensure some of the storm water management projects get lifted up. Assisted AWS with the cleanup at the Bostwick house. Public Works was called due to a blown down tree blocking the roadway in the 5200 block of 51<sup>st</sup> Street. Public Works has installed 50% of the new trash cans in Town also three concrete pads for the solar power Big Belly trash cans. Assisted Roger Heights Elm School with their food drive. In the month of June Public Works picked up .52 tons of liter. Public Works has completed just about 40% of the yellow curbs in Town. Due to the high temperatures Public Works will be doing inside work and some days start an hour early.
